## Degrees and Programs

ECU: [Doctor of Medicine](#)

Duke: [Doctor of Medicine](#)

UNC Chapel Hill: [Doctor of Medicine](#)

Wake Forest: [Doctor of Medicine](#)

- x Application to medical school requires completion of a bachelor's degree.
- x Students who have not yet completed a bachelor's degree should follow the course selection guide for their major, while keeping these requirements in mind as a goal to complete by the end of the bachelor's degree.
- x Students should review all material on the schools' websites. Medical schools may require additional prerequisites beyond coursework, such as standardized tests and patient care experience. Requirements may change, and time limits and restrictions on online coursework often apply to science coursework.
