- x Application to PA School requires completion of a bachelor's degree.
- x Students who have not yet completed a bachelor's degree should follow the course selection guide for their major, while keeping these requirements in mind as a goal to complete by the end of the bachelor's degree.
- x Students should review all material on the schools' websites. PA Schools require additional prerequisites beyond coursework, such as patient care experience. Requirements may change, and time limits and restrictions on online courses often apply to science coursework.
